

**CALOOSA CAMPING EVENT APRIL 6—9, 2020 (early day APRIL 5)**  
**BIG CYPRESS RV RESORT—SEMINOLE INDIAN RESERVATION**  
**CLEWISTON, FL**

This camping adventure is an unusual one compared to our normal camping. The park has requested each couple call and make their reservations to save time and work. Below is a list of the requested information in advance. They will ask for your credit card for a deposit and upon arrival at the park you can pay the balance with the credit card. If you have the information ready it won't take long on the phone. If you get a busy signal, leave a voicemail and they will return your call. We are asking you to email or call with the information on page 2 to us so we know who is coming and when you plan to arrive. Also below will be the information for the Billie Swamp Safari—a day of fun and activity that I will explain.

**CAMPGROUND REGISTRATION INFO—Call Eva or Misha, 863-983-1330**

Last name, first name, address, city, state zip, country, phone 1, phone 2, email address, rig type, rig length, rig model, color, license, car model, license, color, drivers license number, # adults, # pets, credit card, emergency contact. Sorry for all the detail but that's what they want.

You will get a site number. Rate is \$50 a night. Depending on the distance you have to travel many of you/us may want to consider arriving on Sunday as the park is 50 miles from **Naples** and 14 miles up Snake Rd.

**BILLIE SWAMP SAFARI**

I reserved Tuesday, April 7th beginning at 9:00am for the Billie Swamp Safari activities. the rate has been discounted for us to \$38 per person to include the Swamp Buggy Tour, Airboat Ride, all the animal shows and all the animal displays to see. I booked the package, if there is an activity someone doesn't want to do that will have to be priced separately later. I watched all the rides and they are not dangerous at all—but REALLY looked like fun! I am sending a schedule of the times for each activity for your reference. In order for us to get in for this day or any day that week I had to reserve a day as this is busy season for the safari.

Lunch is available in the Swamp Water Cafe on property with reasonable prices, good food and service.

**AH-TAH-THI-KI MUSEUM**

The museum across from the campground is really interesting to learn about the Seminole life dating back to 1890's. The group rate guided tour is \$5.00 a person, in addition there are a few other tours available on that property for \$5.00 each. I did not book a day yet until I know how many people are interested in a tour. Wednesday that week has not been booked yet and that would be a day we could do tours there.

**THE AGENDA**

I will be sending an agenda for the week but wanted to get this info out first to see how many people want to make reservations. There is an urgency to this because of some of us going on the cruise next weekend. We have planned the food main dishes and will have Sunday cold cut platters and trimmings so no worries about cooking while traveling! Monday we will serve breakfast & dinner, Tuesday breakfast on your own, we will serve dinner. Wednesday breakfast and dinner and yes—with some side dishes as assigned later when we have the numbers. Donation of about \$20 per coach for the food we provide.

Look up the campground and Billies Swamp Safari, etc., on the internet! It's REALLY cool!
